

Douglas Indian Association
Tribal Government
Employment Application

This application is for one job class only unless the recruitment announcement allows you to apply for a job class series. Separate applications must be turned in for each job class for which you want to apply. A job class is a set of individual positions that have been grouped together and given the same official title because they have the same kind of duties and responsibilities. The Douglas Indian Association (DIA) office distributes a list of job classes open for application with a description of each. Read these descriptions BEFORE you fill out this application to see that you have the education and/or experience required. You can find the list of job classes that provide more information about completing this application form at the DIA office listed below.

If you wish to update an application already on file with us, you may do so provided the job class is open to recruitment. However, if the application on file is more than one year old, you must submit a new (complete) application.

Complete all parts of this application except any that are not mandatory. An application which does not contain essential information, or which is illegible will be returned to you. To receive full credit for your training and experience you must provide complete and detailed information. REPORT ADDRESS AND TELEPHONE CHANGES PROMPTLY TO OUR OFFICE LISTED BELOW. Please be sure to keep a complete copy of your application for your records.

All Douglas Indian Association employees are subject to mandatory pre-employment, random, and reasonable cause drug testing.

The Social Security Number will be used only as an identifier in our computer files. If you do not wish to give us your Social Security Number, we will assign an identification number to you. This number must be used in all correspondence or inquiries regarding application
